ABOUT US

SASA GROUP Defence Industry is a Turkey based firearms manufacturer. We have been manufacturing & exporting shotguns across the World for over two decades. We have hands-on experience in the field of traditional and tactical shotguns.

Our main aim at SASA Group is customer satisfaction. We always stand behind our firearms we manufacture and sell. Our concern more than anything else, more than making money is that we build the best firearms we can produce.

Our shotguns are made with some of the finest materials and parts in the firearms industry: Aircraft grade 7075-T6 Aluminium; 4140 Steel barrels and internals, Synthetic lowers, and our local fine Turkish walnut stocks.

Our only goal is to make the best, not how much it costs that is why you can have confidence in the superior products from SASA Group Shotgun Manufacturing Company. If you want the best, that is what we are offering, it is made in TURKEY with pride, craftsmanship, and without compromise.

As we know the weapon so well, we stand behind the weapon we make, supporting them 100% and to the valued customers we offer unrivalled warranty. We have been in the gun business for over 20 years and enjoy a reputation that is unsurpassed to support our products to the customer's satisfaction.
